**ORDER CONDITIONALLY CERTIFYING A SETTLEMENT
CLASS, GRANTING PRELIMINARY APPROVAL OF THE CLASS
ACTION SETTLEMENT, APPROVING THE FORM AND MANNER
OF NOTICE, AND SCHEDULING FINAL APPROVAL HEARING**

This cause is before the Court on Plaintiffs’ Unopposed Motion for Preliminary Approval of the Class Action Settlement (the “Motion”). The Court, having considered the Motion, the supporting memorandum of law, the parties’ Settlement Agreement dated January 12, 2021 (the “Settlement Agreement”), the proposed forms of notice to the Settlement Class, the pleadings and other papers filed in this Action, and the statements of counsel and the parties, has determined that the proposed Settlement satisfies the criteria for preliminary approval, the proposed Settlement Class is preliminarily certified, and the proposed Notice Plan is approved. Accordingly, good cause appearing in the record, Plaintiffs’ Motion is **GRANTED**.

IT IS HEREBY ORDERED as follows:

Preliminary Approval of Settlement Agreement

1. Unless otherwise defined herein, all terms that are capitalized herein shall have the meanings ascribed to those terms in the Settlement Agreement.

2. This Court has jurisdiction over the Litigation, Plaintiffs, all Settlement Class Members, Defendant Hy-Vee, Inc. (“Hy-Vee” or “Defendant”), and any party to any agreement that is part of or related to the Settlement.

3. The Court finds that the proposed Settlement with Hy-Vee set forth in the Settlement Agreement is fair, reasonable, and adequate, otherwise meets the criteria for approval, and warrants issuance of notice to the Settlement Class. Accordingly, the proposed Settlement is preliminarily approved.

Provisional Certification of the Settlement Class

4. Solely for purposes of the Settlement, the Court conditionally certifies the following class pursuant to Federal Rule of Civil Procedure 23(a) and (b)(3) (“Settlement Class”):

All persons residing in the United States who used a payment card to make a purchase at an affected Hy-Vee point-of-sale device during the Security Incident, which as described in the definition of Security Incident occurred during the time frames and at the locations set forth in Exhibit C to the Settlement Agreement and Appendix A to the Publication Notice.

Excluded from the Settlement Class are (i) Hy-Vee and its officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (iii) the Judge assigned to evaluate the fairness of this settlement; (iv) the attorneys representing the parties in the Litigation; (v) banks and other entities that issued payment cards which were utilized at Hy-Vee during the Security Incident; and (vi) any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding or abetting the criminal activity occurrence of the Security Incident or who pleads *nolo contendere* to any such charge.

5. Subject to final approval of the Settlement, the Court finds and concludes for settlement purposes only that the prerequisites to a class action, set forth in Federal Rule of Civil Procedure 23(a) and (b), are satisfied in that:

- (a) the Settlement Class is so numerous that joinder of all members is impracticable;
- (b) there are questions of law or fact common to the Settlement Class;
- (c) Plaintiffs and Class Counsel (each defined below) fairly and adequately represent the Settlement Class;
- (d) the claims of Plaintiffs are typical of those of Settlement Class Members;
- (e) common issues predominate over any individual issues affecting the members of the Settlement Class;
- (f) Plaintiffs fairly and adequately protect and represent the interests of all members of the Settlement Class, and Plaintiffs' interests are aligned with the interests of all other members of the Settlement Class; and
- (g) settlement of the Actions on a class action basis is superior to other means of resolving this matter.

6. The Court appoints Benjamin F. Johns, Andrew W. Ferich, and Alex M. Kashurba of Chimicles Schwartz Kriner & Donaldson-Smith LLP and Ben Barnow, Erich P. Schork, and Anthony L. Parkhill of Barnow and Associates, P.C. as Class Counsel, having determined that the requirements of Rule 23(g) of the Federal Rules of Civil Procedure are fully satisfied by this appointment.

7. The Court hereby appoints Plaintiffs Noreen Perdue, Elizabeth Davis-Berg, Dustin Murray, Cheryl Ellingson, Angela Trang, Gordon Grewing, and Melissa Ward to serve as Class Representatives for settlement purposes only on behalf of the Settlement Class.

Notice to Settlement Class Members

8. The Court approves the proposed notices of settlement attached to the Settlement Agreement as Exhibits E-H (the “Settlement Notices”), and finds that the dissemination of the Notices substantially in the manner and form set forth by the Settlement and under the Claims Administrator’s Notice Plan comply fully with the requirements of the Federal Rule of Civil Procedure 23 and due process of law, and is the best notice practicable under the circumstances. Non-material modifications to the Settlement Notices may be made without further order of the Court.

9. The notice procedures described in the Notice Plan attached to the Motion are hereby found to be the best means of providing notice under the circumstances; are reasonably calculated to apprise Settlement Class Members of the pendency of the action, the terms of the proposed Settlement, and their rights under the proposed Settlement, including but not limited to their rights to object to or exclude themselves from the proposed Settlement; and, when completed, shall constitute due and sufficient notice of the proposed Settlement Agreement and the Final Approval Hearing to all persons affected by and/or entitled to participate in the Settlement Agreement, in full compliance with the notice requirements of Rule 23 of the Federal Rules of Civil Procedure and due process of law.

10. The Claims Administrator is directed to carry out the Notice Plan, which shall be completed in the manner set forth in the Settlement Agreement. No later than thirty (30) days from the date of this Order preliminarily approving the Settlement, the Claims Administrator shall

initiate the Notice Plan, which shall be completed in the manner set forth in the Settlement Agreement.

11. All costs incurred in disseminating and otherwise in connection with the Settlement Notices shall be paid by Defendant pursuant to the Settlement Agreement.

12. The claim form attached to the Settlement Agreement satisfies the requirements of due process and of Rule 23(e) of the Federal Rules of Civil Procedure and thus is approved for dissemination to the Settlement Class. The claim form shall be made available to the Settlement Class as set forth on the Notice Plan and shall be made available to any potential Class member that requests one.

Responses by Class Members and the Scheduling of a Final Approval Hearing

13. Settlement Class Members may opt-out (the “Opt-Out Deadline”) or object up to ninety (90) days from the date on which the notice program commences.

14. Any member of the Settlement Class that wishes to be excluded (“opt out”) from the Settlement Class must send a written Request for Exclusion to the designated Post Office box established by the Claims Administrator on or before the close of the Opt-Out Deadline. Members of the Settlement Class may not exclude themselves by filing Requests for Exclusion as a group or class, but must in each instance individually and personally execute a Request for Exclusion. All Settlement Class Members that exclude themselves from the Settlement Class will not be eligible to receive any benefits under the Settlement, will not be bound by any further orders or judgments entered for or against the Settlement Class, and will preserve their ability to independently pursue any claims they may have against Defendant.

15. Any member of the Settlement Class that does not properly and timely request exclusion from the Settlement Class shall, upon entry of the Order and Final Judgment, be bound by all the terms and provisions of the Settlement Agreement and Release, whether or not such

Class member objected to the Settlement and whether or not such Class member received consideration under the Settlement Agreement.

16. A hearing on the Settlement (the “Final Approval Hearing”) shall be held before this Court on Monday July 19, 2021 at 10:00 am CST Courtroom 112 of the United States Courthouse, 100 N.E. Monroe Street, Peoria, Illinois.

17. At the Final Approval Hearing, the Court will consider (a) the fairness, reasonableness, and adequacy of the proposed class settlement and whether the settlement should be granted final approval by the Court; (b) dismissal with prejudice of the Action; (c) entry of an order including the Release; (d) entry of the Final Approval Order; and (e) entry of final judgment in this Action. Class Counsel’s application for award of attorney’s fees and costs, and request for the Court to award a service award to the named plaintiffs, shall also be heard at the time of the hearing.

18. The date and time of the Final Approval Hearing shall be subject to adjournment by the Court without further notice to the members of the Settlement Class, other than that which may be posted by the Court. Should the Court adjourn the date for the Final Approval Hearing, that shall not alter the deadlines for mailing and publication of notice, the Opt-Out deadline, or the deadlines for submissions of settlement objections, claims, and notices of intention to appear at the Final Approval Hearing unless those dates are explicitly changed by subsequent Order.

19. Any person or entity who or which does not elect to be excluded from the Settlement Class may, but need not, enter an appearance through his, her, or its own attorney. Settlement Class Members that do not timely object or opt out and that do not have an attorney enter an appearance on their behalf will be represented by Class Counsel.

20. Any person or entity who or which does not elect to be excluded from the Settlement Class may object to the proposed Settlement. Any Class member may object to, *inter alia*, (a) the proposed Settlement, (b) entry of Final Approval Order and the judgment approving the Settlement, (c) Class Counsel's application for fees and expenses, or (d) service award requests, by serving a written objection upon Class Counsel, Hy-Vee's counsel, and the Court.

21. Any Class member making the objection (an "Objector") must sign the objection personally or through Objector's counsel. An objection shall include all information required by the Settlement Agreement, including the Objector's name, address, and telephone number, proof of class membership, and a detailed statement of each objection asserted, including the grounds for objection together with any documents such person wishes to be considered in support of the objection. The objection must also contain a detailed list of any other objections by the Objector and/or by the attorney representing the Objector to any class action settlement(s) submitted to any state or federal court in the United States in the previous three (3) years.

22. If an Objector intends to appear at the hearing, personally or through counsel, the Objector must include with the objection a notice of the Objector's intent to appear at the hearing. If counsel is appearing on behalf of more than one Settlement Class member, counsel must identify each such Settlement Class member and each Settlement Class member must have complied with the requirements of this Order. No Objector may appear at the hearing unless the Objector indicates an intent to appear.

23. Objections, along with any notices of intent to appear and any supporting documents, must be filed with the Clerk of the Court no later than ninety (90) days from the date on which the notice program commences. These documents must be filed with the Clerk of the Court electronically or at the following address:

U.S. District Court for the Central District of Illinois
Office of the Clerk of Court
United States Courthouse, Room 305
100 N.E. Monroe Street
Peoria, IL 61602

24. Only Settlement Class Members that have filed and served valid and timely notices of objection shall be entitled to be heard at the Final Approval Hearing. Any Settlement Class member that does not timely file and serve an objection in writing in accordance with the procedure set forth in the Class Notice and mandated in this Order shall be deemed to have waived any objection to (a) the Settlement; (b) the Release; (c) entry of Final Approval Order or any judgment; (d) Class Counsel's application for fees, costs, and expenses; or (e) service award requests for the named Plaintiffs, whether by appeal, collateral attack, or otherwise.

25. Settlement Class Members need not appear at the hearing or take any other action to indicate their approval.

26. Upon entry of the Order and Final Judgment all members of the Settlement Class that have not personally and timely requested to be excluded from the Settlement Class will be enjoined from proceeding against Defendant with respect to all of the Released Claims.

27. Hy-Vee shall prepare and send, at Hy-Vee's expense, all notices that are required by the Class Action Fairness Act of 2005 ("CAFA") as specified in 28 U.S.C. § 1715. Class Counsel and Counsel for Hy-Vee shall cooperate promptly and fully in the preparation of such notices, including providing Hy-Vee with any and all information in their possession necessary for the preparation of these notices. Hy-Vee shall provide courtesy copies of the notices to Class Counsel for the purpose of implementing the settlement. Defendant shall provide notice to Class Counsel and the Court of compliance with the CAFA requirements within ten (10) days of providing notice to Attorneys General under CAFA.

Responsibilities of the Claims Administrator shall include: (a) establishing a post office box for purposes of communicating with Settlement Class Members; (b) disseminating notice to the Class; (c) developing a web site to enable Settlement Class Members to access documents; (d) accepting and maintaining documents sent from Settlement Class Members relating to claims administration; (e) determining validity of Claims in

accordance with the Settlement Agreement; and (f) distributing settlement checks to Settlement Class Members. Pursuant to the Settlement Agreement, Defendant shall pay all related costs and expenses associated with the notice, claims, and settlement administration. These payments to the Claims Administrator shall be made separate and apart from the relief being made available to Settlement Class Members under the Settlement.

30. The Court hereby appoints the Claims Referee proposed by the parties, Benjamin Picker of Stradley Ronon Stevens and Young (the “Claims Referee”). The Claims Referee shall be responsible for deciding certain claims that may be rejected by the Claims Administrator, upon request of the Settlement Class Member submitting such Claims, as described in the Settlement Agreement.

Claims Process and Distribution and Allocation Plan

31. The parties have created a process for assessing and determining the validity and value of claims and a payment methodology to Settlement Class Members who submit a timely, valid claim form. The Court preliminarily approves the plan for remuneration described in Section 2.3 of the Settlement Agreement and directs that the Claims Administrator effectuate the distribution of settlement consideration according to the terms of the Settlement Agreement, should the Settlement be finally approved. The Court further orders that Worldpay, Inc. and Fidelity National Information Services release all information, including any payment card data needed, to the Claims Administrator necessary for the Claims Administrator to assess and determine the validity of claims.

32. Settlement Class Members who qualify for and wish to submit a claim form shall do so in accordance with the requirements and procedures specified in the notice and the Claim Form. If final Judgment is entered, all Settlement Class Members who qualify for any benefit under the Settlement but fail to submit a claim in accordance with the requirements and procedures

specified in the notice and the Claim Form shall be forever barred from receiving any such benefit, but will in all other respects be subject to and bound by the provisions in the Settlement Agreement, the releases included in that Agreement, and the final Judgment.

Additional Provisions

33. In the event the Settlement Agreement and the proposed settlement are terminated in accordance with the applicable provisions of the Settlement Agreement, the Settlement Agreement, the proposed Settlement, and all related proceedings shall, except as expressly provided to the contrary in the Settlement Agreement, become null and void, shall have no further force and effect; Settlement Class Members shall retain all of their current rights to assert any and all claims against Defendant and any other released party; and the Defendant and any other released parties shall retain any and all of their current defenses and arguments thereto (including but not limited to arguments that the requirements of Federal Rule of Civil Procedure 23(a) and (b)(3) are not satisfied for purposes of continued litigation). These Actions shall thereupon revert forthwith to their respective procedural and substantive status prior to the date of execution of the Settlement Agreement and shall proceed as if the Settlement Agreement and all other related orders and papers had not been executed.

34. Neither this Order nor the Settlement Agreement nor any other settlement-related document nor anything contained herein or therein or contemplated hereby or thereby nor any proceedings undertaken in accordance with the terms set forth in the Settlement Agreement or herein or in any other settlement-related document, shall constitute, be construed as, or be deemed to be evidence of or an admission or concession by Hy-Vee as to the validity of any claim that has been or could have been asserted against it or as to any liability by it as to any matter set forth in this Order, or as to the propriety of class certification for any purposes other than for purposes of the current proposed settlement.

35. Except as necessary to effectuate this Order, all proceedings and deadlines in this matter are stayed and suspended pending the Final Approval Hearing and issuance of the final Judgment, or until further order of this Court.

36. The Court reserves the right to adjourn or continue the Final Approval Hearing and related deadlines without further written notice to the Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the website maintained by the Claims Administrator.

IT IS SO ORDERED.

The Security Incident potentially resulted in unauthorized access to customer payment card data and other personally identifying information.

The Security Incident involved the insertion of malicious computer code that targeted data in the magnetic stripe of credit, debit, and other payment cards swiped at certain Hy-Vee fuel pumps, drive-thru coffee shops, and restaurants, including Hy-Vee Market Grille Expresses, the Wahlburgers locations owned and operated by Hy-Vee, and the cafeteria at Hy Vee’s West Des Moines corporate office. BASIC INFORMATION

1. Why was this Notice issued?

The Court authorized this notice because you have a right to know about the proposed Settlement in this class action lawsuit and about all of your options before the Court decides whether to give “final approval” to the Settlement. This notice explains the legal rights and options that you may exercise before the Court decides whether to approve the Settlement.

Judge Michael M. Mihm of the United States District Court for the Central District of Illinois is overseeing this case. The case is known as *Perdue, et al. v. Hy-Vee, Inc.*, Case No. 1:19-cv-01330-MMM. The persons who sued are called the Plaintiffs. Hy-Vee is called the Defendant.

2. What is this lawsuit about?

The lawsuit claims that Hy-Vee was responsible for the Security Incident that occurred and asserts claims such as: breach of implied contract, negligence, and violation of the Illinois, Iowa, Kansas, Minnesota, and Missouri consumer protection statutes. The lawsuit seeks compensation for people who had out-of-pocket expenses, fraudulent charges, lost time spent dealing with fraudulent charges or card replacement issues, or unreimbursed extraordinary monetary losses as a result of the Security Incident.

Hy-Vee denies all of the Plaintiffs’ claims and says it did not do anything wrong.

3. Why is this lawsuit a class action?

In a class action, one or more people called “Representative Plaintiffs” sue on behalf of all people who have similar claims. All of these people together are the “Class” or “Class Members.” In this case, the Representative Plaintiffs are Noreen Perdue, Elizabeth Davis-Berg, Dustin Murray, Cheryl Ellingson, Angela Trang, Gordon Grewing, and Melissa Ward. One court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

4. Why is there a Settlement?

By agreeing to settle, both sides avoid the cost and risk of a trial, and people who submit valid claims will get compensation. The Representative Plaintiffs and their attorneys believe the Settlement is fair, reasonable, and adequate and, thus, best for the Class and its members. The Settlement does not mean that Hy-Vee did anything wrong.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am included in the Settlement?

If you received a notice by postcard or email about the Settlement, you are probably a member of the Settlement Class. You are also included in the Settlement Class if you reside in the United States and used a credit, debit, or other payment card to make a point-of-sale purchase at an affected Hy-Vee fuel pump, drive-thru coffee shop, or restaurant (including Hy-Vee Market Grille Expresses, the Wahlburgers locations owned and operated by Hy-Vee, and the cafeteria at

Hy-Vee's West Des Moines corporate office) while payment card data at the location was at risk, and you had out-of-pocket expenses, fraudulent charges, lost time spent dealing with fraudulent charges or card replacement issues, or unreimbursed extraordinary monetary losses as a result of the Hy-Vee Security Incident. The time frame of the incident is generally from December 14, 2018 through August 2, 2019, although the specific dates during which data was at risk vary on a location-by-location basis. Payments made inside convenience stores; at front-end checkout lanes, pharmacies, customer service counters, wine & spirits locations, floral departments, clinics, and all other food service areas; and through Aisles Online were not affected. To determine whether your store was at risk and whether you are potentially entitled to submit a claim, please see the spreadsheet attached to this notice as Appendix A or look up your store on the settlement website.

Specifically excluded from the Settlement Class are: (i) Hy-Vee and its officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (iii) the Judge assigned to evaluate the fairness of this settlement; (iv) the attorneys representing the Parties in the Litigation; (v) banks and other entities that issued payment cards which were utilized at Hy-Vee during the Security Incident; and (vi) any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding, or abetting the criminal activity occurrence of the Security Incident or who pleads *nolo contendere* (a no-contest plea, while not technically a guilty plea, has the same immediate effect as a guilty plea and is often offered as part of a plea bargain) to any such charge.

6. What if I am not sure whether I am included in the Settlement?

If you are not sure whether you are included in the Settlement, you may call [toll-free number] with questions or visit [settlement website]. You may also write with questions to *Perdue, et al. v. Hy-Vee, Inc.*, [claims administrator name and address]. Please do not contact the Court with questions.

20. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like the Settlement and why you do not think it should be approved. You can object only if you do not exclude yourself from the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant final approval of the Settlement.

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Fairness Hearing at 10:00 a.m. on July 19, 2021, at the United States District Court for the Central District of Illinois located at U.S. Courthouse, 100 N.E. Monroe Street, Peoria, IL 61602. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check [settlement website] or call [toll-free number].

At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are timely objections, the Court will consider them and will listen to people who have asked to speak at the hearing if such a request has been properly made. The Court will also rule on the request for an award of attorneys' fees and reasonable costs and expenses, as well as the request for an incentive award for the Representative Plaintiffs. After the hearing, the Court will decide whether to approve the Settlement. We do not know how long these decisions will take.

22. Do I have to attend the hearing?

No. Class Counsel will present the Settlement Agreement to the Court. You or your own lawyer are welcome to attend at your expense, but you are not required to do so. If you send an objection, you do not have to come to the Court to talk about it. As long as you filed your written objection on time with the Court and mailed it according to the instructions provided in Question 19, the Court will consider it.
